EDUCATION

SARASOTA IS DEFINED BY ITS ARTS AND CULTURE. Our cultural organizations, artists and proud history of creative expression are crucial to who we are, how we grow and how we lead our lives.

For 35 years the Arts and Cultural Alliance of Sarasota County has worked to ensure the growth of arts organizations and their audiences, the continuation of the arts in our schools and the empowerment of individual artists to make a difference in our community.

We want your involvement.

TO LEARN MORE GO TO SARASOTAARTS.ORG

Welcome to Sarasota County,

Florida's Cultural Coast, where arts and culture thrive alongside spectacular beaches and warm, inviting weather. Arts are at the heart of this place we call home. It's our privilege to share them with you in this Guide.

Whether you are a visitor, a new resident or a "local," you will find this Guide indispensable in exploring our arts scene. In it you will learn about exciting, **world-class performances** and exhibitions, **one-of-a-kind visual art shows**, **educational programming** and family-friendly festivals and fairs. We will even let you in on the hidden gems of Sarasota County, places and groups that make the Cultural Coast so unique.

As the world continues to face challenges presented by the ongoing pandemic, be assured that our arts and cultural venues and organizations have instituted Safe Arts Sarasota, protocols and procedures designed to keep you safe while attending in-person performances and events.

The arts and cultural experiences in Sarasota County define who we are and how we connect with one another. To learn more and for up-to-date listings, please visit our website, SarasotaArts.org.

Sincerely,
Jim Shirley
